\*This is a model home not listed for sale\* This charming 1.5-story home with welcoming front porch and designer details includes a 2-car garage and 10' ceilings on the first floor. The garage opens to a mudroom entry with built-in lockers and access to the laundry room. Beautiful hardwood flooring flows throughout the main living areas. The open kitchen and great room share a cathedral ceiling with stained wood beams. The kitchen is well-appointed with upgraded appliances, quartz countertops with tile backsplash, and a large center island. The great room is warmed by a cozy gas fireplace with shiplap and stone surround with box beam mantel. A sunny dining area has sliding glass door access to a screened in porch. To the rear of the home, the owner's bedroom with tray ceiling detail features an expansive closet and a private bathroom with two vanities and a tile shower. A second bedroom, full bathroom and flex room are found to the front of the home. On the 2nd floor, a third bedroom, full bathroom and loft space are perfect for hosting family and friends.
