UNDER CONSTRUCTION – AVAILABLE THIS SPRING: This charming 1-story home with a welcoming front porch includes a 2-car garage and 9' ceilings. The garage opens to a mudroom entry with a built-in bench and access to the laundry room. Beautiful vinyl plank flooring flows throughout the main living areas. The kitchen is well-appointed with enhanced appliances, quartz countertops with a tile backsplash, a spacious pantry, and a large center island, which opens to the great room. The kitchen and great room share a cathedral ceiling with a wood beam accent and a cozy gas fireplace with floor-to-ceiling stone warms the space. A sunny dining area with triple windows provides sliding glass door access to a screened in composite deck. To the rear of the home, the owner's suite features an expansive closet and a private bathroom with a tile shower and double bowl vanity. A second bedroom, full bathroom and versatile flex room are found at the front of the home.
