Step inside and be in awe of this home's open concept featuring a 2-story great room with a striking floor-to-ceiling stone gas fireplace in the center of it all. Enlarged windows thoughtfully selected for this home provide rear panoramic views of Cumberland County's scenic Blue Mountains. Imagine viewing fall's foliage and winter's wonderland everyday from the comfort of your own home. The gourmet kitchen boasts an oversized island with quartz countertops, double wall ovens, and a chimney exhaust hood over a cooktop gas stove. Entering from your 2-car garage is a mudroom which features well-crafted lockers and a conveniently located walk-in pantry. Completing the first floor is a formal dining room, flex room and a thoughtful guest suite with a full bath. Upon the second floor from your grand staircase are 4 additional spacious bedrooms each with their own walk-in closet and a full bath with a double vanity in the center.
