This beautiful 2-story home includes a welcoming front porch, and a 3-car side-load garage with entry into a spacious laundry room. The thoughtfully designed, open floor plan features 9' ceilings in the basement and on the first floor and a 2-story foyer extending to the great room. Stylish vinyl plank flooring flows throughout the main living areas. A study is across the foyer from the formal dining room, highlighted by a tray ceiling and an accent wall. The kitchen is well-equipped with quartz countertops, a tile backsplash, stainless steel appliances, and a large center island and pantry. Next to the kitchen is a sunny breakfast area that provides access to the rear patio and the great room, warmed by a gas fireplace with a stone and decorative trim surround that creates the perfect focal point. Tucked quietly to the back of the home, the first-floor owner's suite has a private bathroom with a tile shower, double bowl vanity, and an expansive closet. There are 3 additional bedrooms and a full bathroom on the second floor.
