Build a home that fits the way you live, where you want to live. From finding the right customizable home design to choosing the finishing touches, Landmark is here to guide you every step of the way. Landmark offers a collection of thoughtfully designed home plans with a variety of layouts, all customizable to fit your lifestyle, priorities, and budget. Landmark Homes can build on your own land in the south central Pennsylvania region, including Adams, Berks, Chester, Cumberland, Dauphin, Lancaster, Lebanon, Perry, and York counties.

This spacious and open 2-story home plan with 3,500+ square feet features a 1st floor owner's suite, tucked away at the rear of the home, and 3 additional bedrooms, plus a loft, on the second floor. Generous spaces, an open plan characterize the first floor living spaces, with classic design features. The foyer, flanked by a study and dining room, opens to a sweeping 2-story great room that flows into the spacious kitchen and bumped out breakfast area. A large pantry is convenient to kitchen, but tucked out of sight, near the optional butler's pantry. A mudroom entry from the garage is located near the first floor laundry room.

Please note that pricing does not include costs to make the site buildable such as excavation, driveway paving, sidewalks, utility install, or design and installation of stormwater management.
