Plan: Logan

4 Bedrooms

3.5 Bathrooms

3,812 Sq. Ft.

Model Home/Not Listed for Sale: This grand 2-story home features a stylish exterior, a 2-car garage with mudroom entry, and 9' ceilings on the first floor. A dramatic 2-story foyer creates a grand first impression and stylish vinyl plank flooring flows throughout the main living areas. The formal dining room is accented by a tray ceiling with built in lighting. The great room, warmed by a gas fireplace with floor to ceiling stone and beautiful wood beams on the ceiling, opens to the kitchen and morning room. Enhanced cabinetry and appliances, quartz countertops with a tile backsplash, and two large islands adorn the spacious kitchen. Sliding glass doors in the morning room open to a screened in patio. The 1st floor also features a carpeted study tucked quietly to the back of the home. A cathedral ceiling in the 2nd floor primary suite makes the room feel big and bright. The primary bathroom is complete with a tile shower, two vanities, a freestanding tub, and opens to an expansive closet. There are 3 additional bedrooms with enlarged closets, 2 full bathrooms including a conjoining bathroom, and a laundry room.
