2,010+ Sq. Ft.

1 Car Garage

The Blair townhome's first-floor layout is designed with a smart balance of open-concept living and practical everyday spaces. At the front of the home, a welcoming covered porch leads into a central foyer. Off the foyer is a convenient powder room, along with access to a versatile flex room—perfect for a home office, playroom, or guest space.

The plan opens into a spacious main living area. The dining area sits centrally, seamlessly connecting the front of the home to the living room and well-appointed kitchen. The living room offers a comfortable gathering space with natural light and direct access to the rear patio, ideal for outdoor entertainment.

On the right side of the home is a 1-car garage with entry to the home, adding convenience for daily routines. A staircase just off the entry leads to the second floor, where you will find a spacious owner's suite with an expansive closet and a private bath. Down the hall are two additional bedrooms, a full bathroom and a laundry closet.

Overall, this floor plan offers a functional flow, flexible living options, and a bright, open rear living area that connects beautifully to outdoor space—ideal for modern townhome living.
