This Parker two-story townhome offers a perfect balance of open-concept living and flexible spaces to suit today's lifestyle.

The main level welcomes you with a charming front porch and inviting foyer, complete with a convenient powder room and direct access to the garage. Beyond the entry, the home opens into a spacious and airy layout where the kitchen, dining area, and living room flow seamlessly together. The well-appointed kitchen features a large center island and generous counter space, making it ideal for cooking and entertaining. The dining area sits just beyond, while the expansive living room provides a comfortable gathering space with access to the backyard patio—perfect for outdoor dining or relaxing.

Upstairs, the second floor is designed for both comfort and versatility. The owner's suite is tucked away for privacy and features a spacious bedroom, a large closet, and an en-suite bath with dual vanities. Two additional bedrooms are located on the opposite side of the home, each with ample closet space and easy access to a shared full bathroom. A centrally located loft adds valuable flexible living space, ideal for a home office, media room, or play area.

With its open-concept main floor, flexible loft space, private outdoor patio, and practical one-car garage, this townhome offers modern convenience and comfortable living in a smart, efficient design.
