This 2-story, end-of-row townhome includes a first-floor owner's suite, 2-car, rear load garage and a mudroom entry with built-in lockers. Beautiful vinyl plank flooring adorns the main living areas on the first floor. The living room, accented by a gas stone fireplace, opens to the kitchen and dining area with sliding glass door access to a rear patio. The kitchen is well-appointed with stainless steel appliances, quartz countertops with a tile backsplash, and a large center island. The owner's suite, tucked quietly to the back of the home, features an expansive closet and a private bathroom with a tile shower and double bowl vanity. A laundry room is conveniently located across the hall from the suite. On the 2nd floor is a loft, two additional bedrooms, and a full bathroom.
