The Baker has all the benefits of first floor living plus a cozy 2nd floor for additional bedrooms. A roomy 2-story foyer greets guests, with a quiet study just off to the side. The main living areas – kitchen, great room, and breakfast area -- enjoy an open plan design with an optional cathedral ceiling in the great room. The dining room is easily accessible from the kitchen, with an optional adjoining butler's pantry. The owner's suite is tucked in the rear corner of the home, featuring a private bathroom and expansive closet. On the second floor are 2 additional bedrooms, full bathroom, and an option for an additional bedroom #4 with a full bath.
